- Up to 2 of the 4 required electives can be business electives delivered through the Iowa MBA Program. All Iowa MBA courses (except Business Integration, Strategic Business Growth, and Strategy in Action) are available to MSBA students as long as prerequisites are met.
- Generally, business electives are offered in an 8-week format. Winter session courses are typically 4-weeks with limited seats. Courses are not guaranteed to be offered every session.
- Dual degree students and former Iowa MBA students should work with their advisor prior to enrolling in business analytics courses to understand how their previous coursework impacts their plan of study.
