Install SAS JMP Pro 16 – Windows

1. Go to ITS Software Download site: <u>https://helpdesk.its.uiowa.edu/software/download/JMP/</u>. This site requires authentication. When prompted, enter your HawkID and password in the following format:

Username: iowa\HawkID Password: HawkID Password

If you don't have access, please inform your instructor.

- 2. Select Windows version of JMP Pro 16. Save the installer to the Downloads folder.
- 3. Go to the Downloads folder, right-click on the "SASJMPPro16_Win.zip" file and select the option to extract its contents.

Note: be sure to extract the zipped file first before trying to install. The installation may encounter issues if all files are not extracted beforehand.

4. Go to the directory where you extracted the zipped file and browse to

.\SASJMPPro16_Win\JMP\JMP_Pro\16_0\Windows

Double-click on the "Setup.exe" file to start the installation process.
