

Tippie Quick Guides

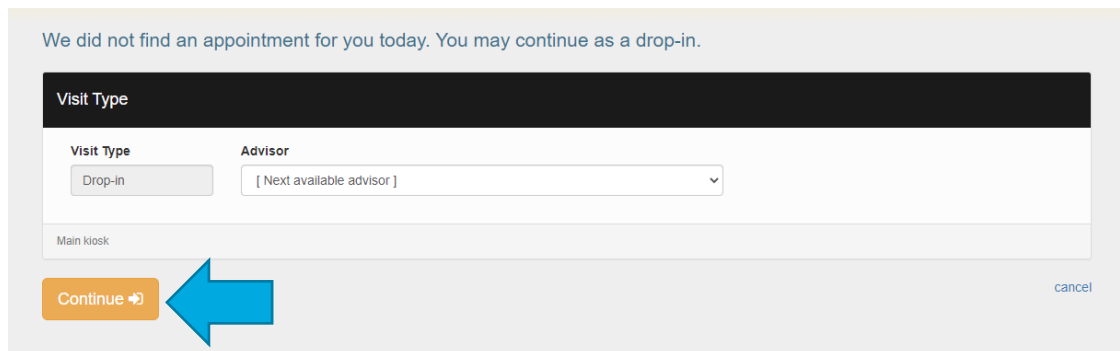

How to log on to Tippie UPO drop-in hours.

We are hosting Zoom drop-in hours and they will require a virtual log-in. There might be a wait during high-traffic times of the semester. We do not hold drop-in hours during Winter Break, Spring Break, or the months of June and July.

1. Click on the link to sign-in for a drop-in appointment.
<https://apps.its.uiowa.edu/swipe2/site/tippie/signin/virtual/virtual-advising>
2. Click the Sign-In Button and put in your HawkID and Password.

3. The system will check to see if you have a regular advising appointment and then direct you to sign in as a drop-in. You will not be able to select a specific advisor. Click "Continue".
