

# Multiple Degree Guide: Iowa MBA and Part-time Master of Business Analytics

To ensure degree requirements are met and policies for multiple degrees are followed, we highly encourage you to [meet with your advisor](#) to discuss your specific plan.

Name: \_\_\_\_\_ Notes: \_\_\_\_\_

Date: \_\_\_\_\_

MBA Core (24 semester hours)	MBA and Part-time Master of Business Analytics Core (15 semester hours)	Part-time Master of Business Analytics Core (15 semester hours)
<b>Core Requirements (24 sh)</b> _____ MBA:8110 Marketing Management _____ MBA:8120 Management in Organizations _____ MBA:8140 Corporate Financial Reporting _____ MBA:8160 Managerial Economics _____ MBA:8180 Managerial Finance _____ MBA:8300 Foundations in Strategy _____ MBA:8240 Operations and Supply Chain _____ MBA:8310 Business Integration OR MBA:8320 Strategic Business Growth OR MBA:9300 Strategy in Action <i>(If an MBA core course above is waived, add an additional <a href="#">elective</a> below.)</i>	<b>MBA Core/BA Certificate Requirements (3 sh)</b> _____ MBA:8150 Data & Decisions <i>(previously also offered under BAIS:9100)</i> <i>(If the core course above is waived, add an additional <a href="#">business analytics elective</a> below.)</i>	<b>Core Requirements (15 sh)</b> _____ BAIS:6140 Visual Analytics _____ BAIS:6050 Data Management <i>(formerly Data Management and Visual Analytics)</i> _____ BAIS:6040 Data Programming in Python _____ BAIS:6070 Data Science _____ BAIS:9110 Advanced Analytics <i>(If the core course above is waived, add an additional <a href="#">business analytics elective</a> below.)</i>
<b>Electives (18 semester hours)</b>		
<b>GPP Electives (6 sh)</b> _____ Elective 1: _____ _____ Elective 2: _____		<b>Part-time Business Analytics Electives* (12 sh)</b> _____ Elective 1: _____ _____ Elective 2: _____ _____ Elective 3: _____ _____ Elective 4: _____ <i>*Up to 6 sh may be business electives; BAIS:9300 is a business elective</i>
<b>A minimum of 60 semester hours (typically 20 courses) of unique University of Iowa Tippie Graduate &amp; Professional Programs (GPP) coursework is needed at the time the second degree is awarded.</b> Courses must be less than 10 years old to be used to satisfy a degree requirement. Transfer courses and/or University of Iowa graduate coursework from outside of GPP will NOT count toward the 60 or 90 hour total even if it was applied to one of the degrees.		

- For an overview of MBA electives, refer to the [course descriptions](#) and the [schedule of courses](#).
- For an overview of business analytics electives, refer to the [course descriptions](#) and [schedule of courses](#).
- In Fall 2020, the course subject MSCI was changed to BAIS. On your grade report or audit, you may see a course listed as MSCI:9100 instead of BAIS:9100; this is the same course, just with a different subject code.
- To graduate with your MBA alone, you must complete 45 credit hours (15 classes) and take all of the appropriate courses to meet the degree requirements.
- To graduate with your Part-time Master of Business Analytics alone, you must complete 30 credit hours (10 classes) and take all of the appropriate courses to meet the degree requirements.
- Degree audits for multiple degree students are often incorrect because each degree audit (MBA and Part-time Master of Business Analytics) needs to be adjusted manually so that the courses count correctly. For this reason, you can use the checklist above to monitor your course progress. A single course may not be used on multiple lines above.
